Power Surges

Ultra Surge and Spike Protectors
Don't let electrical surges and spikes destroy your electronic equipment. Safeguard your valuable investment with the high-quality Ultra surge and spike protectors. These durable, rigorously tested devices feature wide spacing, allowing you to connect bulky block adapters and still have room to insert plugs beside them.

Specifications

· Outlets: 6 with on/off switch, 1 unswitched
· Max. clamping voltage: 330V
· Max. Peak Spike Current: 36000A
· Total amperage capability: 15 A (breaker)
· Modem / Fax line protection

7 Outlet Surge Protector
Part #: ULT31570
UPC#: 02276915706

Specifications

· Outlets: 7
· Max. clamping voltage: 330V
· Max. Peak Spike Current: 36000A
· Total amperage capability: 15 A (breaker)
· Modem / Fax line protection

6 Outlet Surge Protector
Part #: ULT31568
UPC#: 022769315683

Specifications

· Outlets: 2 Fixed, 6 Swivel
· Maximum Clamping Voltage: 330V
· Maximum Spike Current: 2160 Joules (144000 Amps)
· Total Amperage Capability: 15A (Breaker)
· 6-foot, SJT14AWG X 3C Heavy Duty Power Cord
· Coaxial Protection
· 180° Easy rotate design.
· Includes Coaxial Cable

8 Outlet Swivel Surge Protector
Part #: ULT31571
UPC#: 022769315713
